

How can we open a healthy cafe ?

Developing my Character

Drive

I understand that my actions have an impact on myself and others.

Being a scientist

Change -
Doing something might lead to change and seeing what this is, is

Alive -
That a living thing is something that is alive.

Natural
That some things are naturally occurring and others are man made and these make up our world.

Developing as a Learner

Independence

I know where to hang my coat and where my tray is. I can recognise my name.

Outcome - To open a healthy café and invite parents to try our healthy dishes. .
